

**CITY OF SAN DIEGO
OFFICE OF COUNCIL PRESIDENT PRO TEM ANTHONY YOUNG**

WEEKLY UPDATE OCTOBER 5, 2006

City Council Actions

Today, the Council conducted a special meeting in closed session to hear from the City Attorney on the progress of the U.S. Securities and Exchange Commission's (SEC) investigation of the City's bond disclosure practices. It is unfortunate that the public is excluded from hearing our discussion of this matter. However, the SEC is requiring that we hear their tentative draft consent degree and the associated legal and factual issues in closed session. In order for us to get this sad episode behind us and move forward on implementing solutions and strategies to our fiscal crisis, it is in the best interest of San Diego that we comply with their wishes. I look forward to discussing this matter in full and open Council at the appropriate time, hearing your input and suggestions, and publicly thanking you for having patience and understanding as we move this city forward, learn from the mistakes of the past, and never again repeat them.

The Council was in recess Monday and Tuesday of this week.
